Name: _____ Ins. Agent: _____
Shed No.: _____ Address: _____
Gas/Electric: _____ Policy No.: _____

Power Cart Trackage & Storage Rules & Procedures

- 1 The owner/operator of a golf cart who is utilizing the cart storage facilities must be a member in good standing of the Castlegar Golf Club (hereinafter referred to as "the Club").
- 2 Storage areas are rented on an annual basis. Tracking and storage fees will be determined by the Club on an annual basis and pro-rated for a partial year.
- 3 The owner/operator of the cart is responsible for the following:
 - (a) All fees associated with the cart must be paid before APRIL 15th of each calendar year or at the time of registration.
 - (b) The cart must be in good working condition. The Club shall have the right at any time to disallow use of any private cart if it is deemed detrimental to the course, the environment or the image of the Club.
 - (c) The Club does not insure your cart while at the golf course or in the storage building. Proof of \$1 million liability insurance MUST accompany the annual fee paid to the Club.
 - (d) Owner/operators of carts will be responsible for damage to the golf course property or other property, equipment or individuals from any cause whatsoever involving their carts.
 - (e) The shed must be kept clean at all times and should be kept locked before, during and after a round of golf. Storing golf clubs and other valuables in cart sheds is not recommended. The Club does not insure your equipment or belongings while at the golf course or in the storage building.
Cart owner/operators are required to obey all cart signs and stay on cart paths provided except for #2
 - (f) and #8 where the 90° rule is acceptable.
- 4 Cart owner/operators will be issued a lock and key from the Castlegar Golf Club. No other locks or keys may be used.
- 5 To relieve congestion at the Clubhouse, power carts should be returned to the storage shed, as soon as possible after golfing.
- 6 No alterations may be made to the storage shed without the approval of the Club's Executive. Shed alteration proposals must be submitted to the Administration Office for Executive approval.
- 7 When the current renter relinquishes the cart storage space, that space will be reallocated by the Club. This reallocation will be done according to the Club's waiting list. The rental space does not transfer with the sale of
- 8 Appropriate refunds will be allocated on a pro-rated basis.
- 9 The Professional or the Club may make private arrangements with the members of the Club for use of their carts.
- 10 Members who change from a gas powered cart to an electric power cart must notify the Administration office of the change. The member will be charged an electrical hook-up fee.
- 11 The owner/operator acknowledges that there are certain risks of physical injury and damage to personal property by operation of the power carts, and the owner/operator agrees to assume all risk of any injury to person or property, including death, or for loss of time or other loss or damage which the Club or any other person may sustain as a result of any activity connected with the owner/operator's operation of a power cart pursuant to this Agreement. Further, the owner/operator agrees to waive and relinquish all claims of injury to person(s), property, including death, or for loss of time or other loss or damage, the owner/operator may have against the Club or golf cart owner/operator, their officers, agents, and employees, holding them harmless and indemnifying them from all such damages that may arise as a result of operating the power cart indicated on the reverse side of this form.
- 12 There is to be absolutely no gasoline or oil stored in the cart storage facilities.
- 13 A maximum of two (2) owners may sign the storage agreement, thereby allowing for joint ownership.
- 14 The Board of Directors may waive the requirement that a cart owner be a member in good standing for a period of one (1) year providing that the owner has a medical reason for not joining.
- 15. Owner/operator acknowledges that there will be no cart driving or parked grass within 15 yards of the green and will use cart paths and follow directional signs at all times.**
